

Travelers Summer Assignment

Throughout the summer, pick different squares to complete. (You don't have to go in order, and you don't have to do them all)

1. Put an X on each box once you have completed it.
2. In your journal, write the date you completed a square, write what you did in complete sentences, and record the point value.
3. Add up your points each week. Then, add up your total points for the summer.
4. Bring this paper and your journal to school on the first day of third grade. Enjoy!

A. Find a place to keep your journal so you know where it is all summer. 2 points	B. Read a book without any words in it. 2 points	C. What would you do if you won one million dollars? Why? 3 points	D. Read a book to your family after dinner. 2 points	E. Write a letter to someone that means a lot to you. Tell them why they are so special to you. 4 points	F.
